

Educational Technology

Scope: The following pathfinder is a selective bibliography designed to guide the student in finding information on the different aspects of educational technology.

Table of Contents

1. Library of Congress Classification
2. Subject Headings
3. Reference Books
4. Books
5. Periodicals
6. Electronic Indexes
7. Internet Sites

1. Library of Congress Classification

The F. D. Bluford Library uses the Library of Congress Classification System to arrange materials on the library shelves. Resources on educational technology can be found in the Reference Area and the stacks area under the classification listed below:

LB	1025-1050.75	Teaching (Principles and Practice)
LB	1028	Educational technology
T	65	Technology – Study and Teaching

2. Subject Headings

The Library of Congress Subject Headings are used to locate materials in the F. D. Bluford Library's online catalog by subject. Below is a selected list of subject headings:

- [Audio Visual Education](#)
- [Computer Assisted Instruction](#)
- [Education Computer Network Resources](#)
- [Educational Technology](#)
- [Internet and Education](#)
- [Instructional Systems Design](#)

3. Reference Books – A Selected List

Reference books are located on the first floor beyond the Reference desk. If you need assistance, please ask one of the Reference Librarians.
